Staff has been focused on organizing the collection and Ali has been working on the storage room. The new meeting space has been very well received. Patrons have expressed that they really appreciate the function and cleanliness of the space. The Friends are excited about having a full kitchen and pass through window for the Appetizer & Dessert Bar fundraiser on Tuesday. Our substitute Sam, is leaving for college on Wednesday but would like to remain on staff to help during summers.

Sips & Stories Book Club is growing and our first meeting since our summer reading break is Wednesday. Over the break we have added five new members.

Koari Shaw has volunteered to start LEGO Club again in September and has spoken to MTC about donating funds for the program.
