Director's Update

Spring adult workshops have been scheduled and are already filling quickly. Community interest has been strong, and we are excited to offer a variety of creative and educational opportunities this season.

I have begun the process of hiring a substitute staff member to help maintain adequate coverage, support the Summer Reading Program, and ensure smooth daily operations when regular staff are unavailable.

We currently have two teen volunteers in training who will assist with shelving and general library tidiness. They will also be helping with preparations and activities for the Summer Reading Program.

Summer Reading events have been scheduled. This year, programming will take place during the month of June only. This adjustment was made due to the potential for upcoming legislation that could impact the library's ability to serve the community midway through the program.

The Sips & Stories book club will meet again in April and will then take a brief hiatus from May through July. Meetings will resume in August.

Other: None

Next Board Meeting is on Tuesday, April 14th at 5:00pm in the library meeting room.
