Director's Update

The library has been a very busy place these past few months with the remodel and summer reading. Although our summer reading program was only four weeks long this year, every program was very well attended and the staff feels that the program ran smoothly and that folks seemed pleased with the program overall.

When staff were not working on summer reading, we've been going through things and getting organized. Our current focus right now is to get the shelves back in order after the chaos of summer and organizing the storage area. Once those projects are completed, weeding will begin.

Sips & Stories Book Club will pick up again in August. Even though the library did not provide books, the group still met for dinner during the months the library did not facilitate the group. We have also gotten some new participants registered for the club.

Other: None

Next Board Meeting must be moved from its original date because of the Friends appetizer and dessert bar fundraiser. Tentative dates: Monday, August 10th or Thursday, August 13th at 5:00pm in the library meeting room. Foundation meeting to follow.
